

# Wild Scoops Donation Application

As a small business, we view ourselves as part of a larger community ecosystem. Since our founding, Wild Scoops has been grateful for the support of so many people, and we are proud to give back through providing ice-cream-related donations to a variety of active and passionate non-profit groups. At this point, some of our donation priorities are: building a sense of inclusive community, strengthening local food systems, facilitating youth/families being active and getting outside, and supporting education.

We ask that this completed form be emailed back to us at [WildScoopsDonations@gmail.com](mailto:WildScoopsDonations@gmail.com). We review all completed donation inquiries that come our way, and we thank you for your patience. We love our community — thanks for all you do!
